

2024 Stahlman Beekeeping E-mail Notes Issue #10a

There is a slight reason the notes are being sent out today. My life does get complicated at times and bee season is in full swing. I spent yesterday in New Bern speaking at the North Carolina State Beekeeper's meeting. It is always good to see old friends. I am going to include the power point presentation I made because it has to do with spring beekeeping.

I had some request to speak to more clubs. If you happen to be on my mailing list, please let me know what we talked about. I had many requests and I just don't want to forget or overlook some commitment I made. This month is very busy.
