

2024 Stahlman Beekeeping E-mail Notes Issue #11a

March has been a busy month for me. I have a number of invitations to speak on a multitude of topics. Last Saturday I was in New Bern speaking at the North Carolina State Beekeepers Association and this next week three more bee club visits. I will work some of these talks into my notes in coming issues and I will share PowerPoint presentations with you much like I did last week..

I have visited with several former students this week so I am well armed with topics to cover. I am getting requests to be added to the mailing list from new beekeepers attending bee schools which by the way are just about wrapped up. I have been invited to work with N.C. State Vet school in April and I am really looking forward to that opportunity. Stay tuned in!
